

November 8, 2006

Dear Valued RBGC Member:

In September, the Board members unanimously approved the ordering of new plastic badges to be the new official badge for our Guild. This badge is a more professional looking badge than our current button. This badge will help to identify you at general meetings, board meetings and more importantly at guild shows. This badge will also get you into any PA Guild show free.

In October, the general meeting members voted this design (below) as the new official design to be represented on the Reading-Berks Guild of Craftsmen badge. This design does not replace the round logo we use on some advertising. This design is to compliment our existing logo and proves to be more useful in this application.

The badge design is to size and colors will be tan with burgundy logo, text and name block. The YOUR NAME field will be engraved into the white plastic. The badge will be over laminated to prevent scratches. The back of the badge is a combination pin and bulldog clip which is the kindest clip combination to clothing and will work with silk, sweaters, button shirts or oxfords.

The cost of the badge is \$6.00 each. We would like to place a large order in February. Ordering by February will take approximately 4 weeks and will ensure delivery for the Spring Show. Ordering after the initial order may take up to a year depending on member demand.

Please consider ordering your badge early and supply the necessary information on the form below. Return the badge order form to, the membership chairperson, June Moyer with payment.

The Reading-Berks  
Guild of Craftsmen

**Your Name**

Print your name exactly how you want it to appear on your badge, use upper/lower case:

If available, would you be interested in a lanyard? Yes \_\_\_ No \_\_\_

Number of  
badges ordered: \_\_\_\_\_ x \$6.00 = \_\_\_\_\_

Return badge form and payment to: Attn.: June Moyer Reading-Berks  
Guild of Craftsmen PO Box 85 Mohnton, PA 19540
